Dear Professor von Vorys,

I am honored by your invitation to address students of the University of Pennsylvania during the '79 fall term.

While at this point in time I am able to accept, I must do so with the understanding that the demands of this office may require that I postpone the engagement. Currently, the date of October 29th is clear.

May I suggest that you contact my Public Affairs Director, Mr. Herbert Hetu, to formulate the details of planning.

Yours sincerely,

STANSFIELD TURNER
